**We're glad  
you've  
found us ...**

## **What is the Gesundheitskiosk?**

---

We help you to create the best foundation for your health. Our employees are medically trained. They answer your questions and put you in contact with experts – such as doctors, care facilities and health insurance providers – who can help you in your specific concerns. They provide advice and refer you to municipal sources of prompt, unbureaucratic support.

## **Who can get in touch with us?**

---

Our door is open to all who need guidance in questions of their health or support in difficult circumstances. The Gesundheitskiosk is a place where you will be understood. We are where you need us – in your neighbourhood.

# What we offer

The Gesundheitskiosk provides you with guidance, referrals and support in your search – it connects people with appropriate sources of help.

## Support

in finding a general practitioner or medical specialist

## Advising and contact with providers

in matters of pregnancy, mother- and fatherhood, parenting, prevention, care dependency and support for caregiving relatives

## Prevention and early help

for children, adolescents, women and men in areas such as mental health, exercise and nutrition

## Help

in understanding documents, for example medical reports from the hospital

**We care about your health** • Ihre Gesundheit liegt uns am Herzen • Sağlık, canımızın parçası • Ваше здоровье важно для нас • Troska o Twoje zdrowie leży nam na sercu • سلامت شما مهمترین اولویت ما است

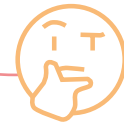

# We're here for you!

**We advise and support you  
and your loved ones in becoming  
and staying healthy.**

---

We listen to you and help you to take charge of your health, and therefore your life. Whatever your life situation – please drop by!

**You're ill and need  
medical consultation  
and help so you can  
be there for your loved  
ones – but don't know  
who to turn to?**

You're pregnant, or already a parent, and **want to give your child a healthy start in life** but don't know where to find support?

You would like to give your **children sports opportunities**, but you don't know who offers them and your budget is tight?

**You have health problems,** can't work, have sought out various doctors and medical opinions, but your health hasn't improved?

**A family member is ill but too afraid – or ashamed – to go to the doctor,** and you want to help but don't know how?

**You want to take care of your parents or grandparents, but can't manage it because of work, children and your own health?**

**You can trust us with your concerns – your health is the central focus of our work.**

**Please drop by!**
